ABSTRACT

Gym Management System is an online service that can be setup to manage trainers, members, memberships, payments, keep track with detailed statistics. Our Gym Management Software is a gym and health club membership management system. It provides different programs and activities. It keeps records on members, their memberships and payments. It also keeps records on trainees. It provides management of records in a timely manner, confidential and secure reports. The main purpose of this project is to automate a gym or fitness center and therefore facilitating its operations. It makes the clients and staff data and schedule easily accessible and making it easy to keep records in a secure database. The implementation of project is carried out using HTML, CSS, PHP and JavaScript as front end and MySQL as backend.

ACKNOWLEDGEMENT

A project is a job of great enormity and it can't be accomplished by an individual all by them. Eventually, we are grateful to the number of individuals whose professional guidance, assistance and encouragement have made it a pleasant endeavor to undertake this project.

It gives us a great pleasure in expressing our deep sense of gratitude to our respected Founder Chairman **Late Shri S. Narasa Raju** and to the respected Chairman **Shri S.N.V.L Narasimha Raju** for having provided us with a great infrastructure and well furnished labs.

We take this opportunity to express our profound gratitude to our respected Principal **Dr. A S Aravind** for his support.

We are graceful to the Head of the Department **Dr. R. Ch. A Naidu** for his unfailing encouragement and suggestion given to us in course of our project work.

Guidance and deadlines play a very important role in successful completion of the project on time. We convey our gratitude to **Prof. Shobha T**, Project Guide for having constantly guided and monitored the development of the project.

A note of thanks to the Department of Computer Science and Engineering, both teaching and non-teaching staff for their co-operation extended to us.

We thank our parents for their constant support and encouragement. Last, but not the least, we would like to thank our peers and friends.
